Team competition: 3 athletes (m + m + m / f + f + f)

All Poomsae will be drawn by lot for each category out of the corresponding pool of compulsory poomsae. The drawing of the Poomsae will be performed by the competition board on

Wednesday, 20th November 2013 and will be announced immediately thereafter on

www.tas.org.rs and www.tkd-reg.com

On principle all members of a pair/team must be of the appropriate age.

Exception: In the Junior category a pair/team can consist of juniors and cadets, but in any case they will have to compete in the Junior class!

Age categories are based on the year of birth. For example, if someone is 29 years old on the day of competition and he/she is still to become 30 years in 2012, then he/she will participate in the division 30 up to 39 years.

SYSTEM OF COMPETITION A - CLASS: Cut off system

1st round preliminary: When 20 or more contestants are participating;

Contestants shall perform the ***two assigned compulsory Poomsae***, and, half of them from each group shall advance to semi-final based on their points. In preliminary round, each group might be judged by different group of judges. If the number of contestants is odd, then round the number of contestants to make even, e.g. If there are 13 contestants in group, then 13 contestants as considered as 14 contestants, and 7 contestants shall advance to semi-final.

2nd round semi-final: When 9 to 19 contestants are participating;

Competition shall start from semi-final round, Contestants shall perform ***the two assigned compulsory Poomsae***, and, 8 of them shall be advanced to final based on their points.

3rd round final: When 8 or fewer contestants are participating;

Competition shall start from final round. ***Two Poomsae in accordance with drawing.***

NOTE : The organiser reserves the right to reduce the number of Poomsae to be performed in the preliminary and the semi-final round to one (1) form.

Procedure in case of equal score:

- a) In case there is a tied score after the completion of the preliminary round at the last place of the best 50%, respectively on the 8th rank of the semi-final round, the higher points in presentation will be the determining factor for advancement to the next round. If this score is equal as well, all athletes in question will proceed.
- b) In case there is a tied score after the completion of the final round on the rank 1, 2, or 3, the contestant who is awarded more points in presentation shall be declared the winner. In case the score is still tied, then the one who has higher total points (including highest and lowest points) shall be the winner. If it's still tied then a rematch between the contestants in question shall be conducted. The referee will decide on the Poomsae to be performed (in any case one of the compulsory Poomsae).
