Introduction

European School Sport Federation was established in 2020 just few days before Covid-19 cises hit the world. From that time till now, those who were included in the work of ESSF from the beginning, made great efforts to set goals and make plans for the future of the federation.

European Open School Combat Games 2023 in Serbia, Belgrade is the first combat event for schools at European level. ESSF chose combat sports as those who are most popular sports among school children, as well as for its availability all around Europe, and will be organized in following sports : karate, judo, taekwondo WF and ITF, sambo, wrestling and kyokunshinkai.

European Open School Combat Games 2023 (EOSCG) is a special sport event designed to explore innovative competition formats which create their own path through the field of school sport network. The event is a gateway for celebration school sport events entering to the ESSF sports system. This type of event also allows the ESSF to establish solid cooperation with European and international sport federations (IFs) and other sports institutions linked to new sports. These events establish new pathways to high-end championships, with the goal of aligning events on european level and not only. However, these event shall be designed to give even more schools and selected teams and individuals the opportunity to take part.

EOSCG is open to the participation of school teams of the ESSF members, as well as non ESSF members and directly applying schools, provided that they follow all ESSF regulations and that the institutions that wish to enter the event are recognized by an official national or sports authority.

Age categories and sports for EOSCG are outlined in their respective sport-specific rules. The educational program and the sports format of the event shall always be adopted to the age of participants.

So, let us start together in this mission of making ESSF recognizable around Europe! We look forward to making history together!

About BELGRADE

Belgrade in short

Belgrade is located at the mouth of the Sava and the Danube rivers, where the Panonian Plain meets the Balkans. Complete with all the suburbs Belgrade hosts a population of around 2 million. The rivers gave rise to the Belgrade port, but not just that but spectacular views, riverboats converted into night clubs, bars and restaurants, islands and beaches on Big War Island and Ada Ciganlija, riverbanks such as Ada Huja and Ada Medjica, scenic nature, green parks to name but a few. The Danube quay seems to be perfect for long walks and sports: running, rowing, cycling, playing tennis in one of the tennis courts or working out in the open air gyms. On the island of Ada Ciganlija visitors can enjoy many things, such as: swimming, bungee jumping, roller blading, playing football or baseball, climbing, eating out or just visiting the Adventure park.

IKKAIDO FUDOKAN KARATE

IKKAIDO

Celebration

IKKAIDO - KARATE-ESSF European Ikkaido Celebration for people with and without disabilities

Karate is a big family. Please motivate your disabled students to join our family and be a significant part. We want to offer them a platform where they can show their ability and perform their karate. Ikkaido first should be a celebration for them. Please, give them a chance of being included in the championship.

First, - like a celebration - they demonstrate their kata and, if necessary, they can be assisted by another karateka or coach (e.g. blind ones). The kata is freechoice, and they will be awarded with a special Ikkaido medal.

Second, - like an inclusive competition - they perform an inclusive team kata together with karateka with no disabilities against another team. Then their team performance will be judged.

CELEBRATION IKKAIDO CATEGORIES
